Subject index

Acne; prevention in, by cosmetic control of seborrhea, 297
Aerosol; particle distribution of a powder in liquid mixture, statistical model for, 107
Analysis
  high pressure liquid chromatography and raw material quality assurance, 127
  human sebum, differential scanning calorimetry of, 177
  surface lipids of man, 283
Antiperspirants; particle size dispersion in, 107
Cosmetics
  lipstick manufacture, moulding techniques in, 143
  physical attractiveness and, 77
Foaming; and HLB values, 45
Hair
  structural abnormality of as viewed by light and electron microscope, 205
  vibrating methods in study of elastic properties of keratin fibres, 231
H.L.B. value; relationship with foaming, 45
Lanolin; toxicological study of, 1
Lipsticks; manufacture, moulding techniques in, 143
Oil/water emulsions; electrical impedance changes and water content in, 63
Paper; perfuming of, technical and safety problems, 271
Perfumes; hydrophilic properties of aromatics, 215
Reviews
  Pharmaceutical Handbook, Pharmaceutical Press, 1980, 266
  Reaction of the skin to cosmetic and toiletry products. A critical review of the 1979 Consumers' Association Survey, 263
  The Pharmaceutical Codex, Pharmaceutical Press, 1979, 265
Seborrhea
  cosmetic treatment of, 297
  drugs as affecting, 315
Sebum
  C_{18} isomes in, 177
  excretion of, 243
  quantitative measurment of, 283
Skin
  allergic reactions, 251
  greasy, attitude of the dermatologist, 297
  microanatomical and functional characteristics of, 209
  sebum, excretion of, 243
Society of Cosmetic Scientists
  Medal Lecture, 269
  Publications Prize, 270
Steroids; micellar solubilisation of, 193
Surfactants; steroid solubility as affecting, 193
Toiletries; processing, physicochemical interactions in, 55
Triethanolamine alkyl sulphates; preparation and characterisation of, 39
Wax; Yugoslavian oakmoss, antioxidant properties of, 303
Yeast infections; treatment of, 297

Contents

NUMBER 1

ORIGINAL SCIENTIFIC PAPERS

1 Etude toxicologique chez l'animal de différents échantillons de lanoline anhydre, de lanoline modifiée et de dérivés de lanoline
J. P. Guillot, J. Y. Giauffret, M. C. Martin, J. F. Gonnet and G. Soulé

39 Preparation and characterisation of the C_{10} to C_{18} even-numbered triethanolamine alkyl sulphates
A. A. Badwan, K. C. James and W. J. Pugh

45 A relationship between foaming and H.L.B. value
A. A. Badwan, T. M. Cham, K. C. James and W. J. Pugh

53 ANNOUNCEMENTS

NUMBER 2

ORIGINAL SCIENTIFIC PAPERS

55 Physicochemical interactions in processing
G. P. Gladden, P. B. Finnerty and D. J. Alexander

63 Electrical impedance changes and water content in O/W emulsions during evaporation
M. F. Saettone, E. Nannipieri, L. Cervetto, N. Eschini and V. Carelli
